### I am a Bronson employee that took student loans out for my dependent. Do I qualify for forgiveness or any other programs?

Parents with Parent PLUS loans who work for a government organization or a nonprofit may qualify for Public Service Loan Forgiveness (PSLF). The PSLF program is designed to forgive the remaining balance of federal Direct loans after you make 120 qualifying monthly payments under a qualifying repayment plan. There are additional eligibility requirements that will be presented based on your specific situation.

---

### What if I am not eligible for PSLF?

Many employees do not qualify for PSLF, so we recommend both PSLF and repayment benefits to ensure all employees with student debt are positively impacted.
