Claim Submission

1) The most efficient way to submit a claim is by using the online Participant Portal claim submission tool or the MyNavia Mobile App for Android or iPhone. You may also submit claims via email, fax or mail. Please use only one method per submission. Please allow 2 full business days for your claim to be reviewed and processed once it has been received. If submitting the claim via the Portal or Mobile App, no claim forms are required.

2) If submitting the claim by email, fax or mail, you must complete a claim form, itemize your expenses and list the total amount you are claiming.

3) You will have 120 days to submit claims after the end of the plan year. In the event that your employment is terminated, or you lose eligibility, you will have 120 days from your date of termination to submit claims for expenses incurred while you were covered under the plan.

Accessing the Website: You may access the website by going to www.naviabenefits.com and logging in. First Time users will click the Register button in the top right corner of the page. Please take the time to review your account to make sure your address and election information is accurate.

Registering on the Website: To register for online account access you will be requested to provide the following information:

- Last Name, First Initial
- E-mail Address
- Employer Code: **BRO**
- Last four digits of your employee ID number
- Date of Birth
- Choose a User Name
- Answer three security questions

Note: The debit card is only tied to funds in your FSA. Wellness or Gym Membership expenses will need to be submitted to Navia online via the Participant Portal, through the Mobile App, or by paper claim form. Navia will process your claim and send you a reimbursement (either by check or direct deposit). If you have elected direct deposit for the FSA plan, you will automatically have direct deposit for your wellness reimbursements. You can sign up for direct deposit via the Participant Portal. Direct deposits may take 1-2 days to post to your bank account.
