If you have a change in family status (for example, a birth in your family), you may only change who you have covered under the dental plan. (See page 3 for definition of family status change). An employee can make limited changes during the year if he/she has a change in family status such as: marriage, divorce, birth, death, change in spouse's employment, change in dependent eligibility, forced change in employment which includes (1) change of hours, (2) change of shift, and/or (3) change of position, or involuntary loss of other group benefit coverage. Enrollees and dependents choosing this plan are required to remain enrolled for a minimum of 12 months. Should an Enrollee or Dependent choose to drop coverage after that time, he or she may not re-enroll prior to the date on which 12 months have elapsed. Dependents may only enroll if the Enrollee is enrolled (except under COBRA) and must be enrolled in the same plan as the Enrollee. An election may be revoked or changed at any time if the change is the result of a qualifying event as defined under Internal Revenue Code Section 125.

Coordination of Benefits - If you and your Spouse are both eligible to enroll in This Plan as Enrollees, you may be enrolled as both an Enrollee on your own application and as a Dependent on your Spouse's application. Your Dependent Children may be enrolled on both your and your Spouse's applications as well. Delta Dental will coordinate benefits between your coverage and your Spouse's coverage.

Benefits will cease at midnight of the last day of employment.
