

2023 Schedule of Benefits: HDHP

Deductibles	Bronson Provider Tier 1	BCBS Provider Tier 2	Out of Network Tier 3	"Aggregate" = If the policy is covering a family, no benefits are payable for any individual within a family until the entire Family Deductible is satisfied. Claims paid <u>after</u> the Family Deductible is satisfied will have no additional Deductible taken for the entire family.
Individual	\$1,700	\$2,000	\$3,950	
Family	\$3,400	\$4,000	\$7,900	
Out-of-Pocket	Bronson Provider Tier 1	BCBS Provider Tier 2	Out of Network Tier 3	Deductible, Coinsurance, and Copays apply to the Cost Sharing Maximum. All Tier deductibles cross apply and accumulate together.
Individual Maximum	\$4,500		N/A	
Family Maximum	\$9,000		N/A	

Pre-Certification: Certain services require pre-certification for benefits as described in this plan (e.g., Inpatient Hospital admissions, certain outpatient surgeries, etc.) If the member does not receive pre-certification, the benefit payment will be reduced by 10% of billed amount and will not apply to the cost sharing maximum.

In-Network benefits are based on the Preferred Provider Organization's approved amount. Out-of-Network benefits are based on the Reasonable and Customary amount. Benefits are determined after any applicable Deductible and Coinsurance, and are subject to Annual, Lifetime and Other Maximums, General Exclusions and other applicable limitations.

NOTE: Any maximums listed are applicable to all plan options, unless otherwise specified. If a new plan option is elected, any amounts applied toward the maximums in the current/previous plan option will be applied to the new plan option. Plan maximums do not start over when a new plan option is elected.

Preventive Care and Screening Services and Immunizations for children, adolescents and adults that:

- Have a rating of A or B in the current United States Preventive Services Task Force recommendations, or
- Are recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention, or
- Are provided for in comprehensive guidelines supported by the Health Resources and Services Administration, with respect to the individual involved.

-Includes annual routine vision exam as part of a physical to determine vision loss.

Please consult the recommendations and guidelines for age, frequency and other guidelines. Some examples of screening include high blood pressure, breast cancer (mammograms), cervical cancer (PAP), cholesterol, depression, diabetes, colorectal cancer (colonoscopies), and prostate cancer (PSA). Examples of immunizations include HIV, DTP, Hepatitis A, Hepatitis B, HIB, HPV, MMR, and Flu Shots.
