

# Find & Save on Child Care

We know finding the right child care for your family and your budget can be a struggle. Kinside's nationwide network allows you to browse up-to-date openings at preschools, view detailed license reports, and take advantage of discounts of up to 20% on child care.

## Features

### 1M Spots

Kinside's national network allows you to browse open spots at programs near you and filter based on the criteria that matters to your family.

### Concierge

A single point of contact to connect you with the right child care for your family, consider concierge your advocate in the journey to the perfect provider.

### Online Payments

Pay your provider online using your DCFS dollar, ACH or a blend of both. No more clunky claims process.

### Pre-negotiated rates

Kinside offers pre-negotiated tuition rates, waived fees, and more at some of the top brands in child care.
