How Sun Life's Accident insurance can help

Junior was in high school when he broke his leg playing varsity basketball. His family has at least a \$2,500 medical deductible. Fortunately, Junior's mother elected Accident insurance through work. After Junior broke his leg, his family submitted a claim. After the claim was approved, they began receiving cash benefits for Junior's ambulance ride, the emergency room visit, x-rays and diagnosis of the fracture, and crutches. They also received cash benefits for follow-up visits and physical therapy appointments.

Having accident insurance helped Junior's family focus on his recovery and less on out-of-pocket medical expenses.

Note: These covered benefits may not be available with your plan. See the next section for the covered benefits being offered to you.

Accident Q&A

What happens if I am injured?

Once your claim is approved, Accident insurance pays you a benefit amount if you are hurt or receive treatment as a result of a covered accident. The benefit amount you receive depends on your injury and/or the treatment you receive. Benefits are payable only once for each Covered Accident (unless noted otherwise in the benefit schedule).

Do I need accident insurance if I have major medical insurance?

Accident insurance is not intended to replace Major Medical Insurance. You may consider electing accident insurance if you would benefit from not having to dip into your savings to pay for expenses not covered by your major medical insurance plan (e.g., out-of-pocket medical expenses, childcare, rent, transportation).

Can I take my insurance with me if I leave my employer?

Generally, yes. Depending upon your state, you may be offered to continue the group insurance coverage.²

How do I file a claim?

To file your claim, we need to receive information from you and your doctor about the specific accident and the treatment provided. Forms may be downloaded from www.sunlife.com/us. Make sure to complete and sign all forms, as missing information or signatures can delay your claim.

Whom can I contact with questions about my coverage?

After the effective date of your coverage, contact our Customer Service representatives at 800-247-6875, 8:00 a.m. to 8:00 p.m. ET, Monday through Friday.

2. Subject to policy terms and state variations. Refer to your certificate for details.

Accident insurance is a limited benefit policy. It provides accident coverage only and does not provide basic hospital, basic medical, or major medical insurance. This coverage does not constitute comprehensive health insurance (often referred to as "major medical coverage") and does not satisfy the requirement for Minimum Essential Coverage under the Affordable Care Act. Failing to maintain Minimum Essential Coverage may result in a tax penalty.

The certificate has exclusions that may affect any benefits payable. Benefits payable are subject to all terms and conditions of the certificate. The policy and certificate may not be available in all states.

The Effective Date of any initial, increased or additional insurance will be delayed for an Employee if he or she is not Actively at Work. The initial, increased or additional insurance will become effective on the date the Employee returns to an Actively at Work status. An Employee is considered Actively at Work if he or she performs all the regular duties of his or her job for a full work day scheduled by the Employer at the Employer's normal place of business or a site where the Employer's business requires the Employee to travel.

This Overview is preliminary to the issuance of the Policy. Refer to your Certificate for details. Receipt of this Overview does not constitute approval of coverage under the Policy. In the event of a discrepancy between this Overview, the Certificate and the Policy, the terms of the Policy will govern.

If your accident coverage is paid with pre-tax dollars, the benefit payments may be taxable. Taxable benefit payments would be considered income and could disqualify you for Medicaid. If you currently participate or plan to participate in Medicaid you should seek advice before enrolling in accident coverage. Please consult your legal or tax advisor for more information. Sun Life does not provide tax advice.
