Convenient Locations For Orthopedic Care Throughout Southwest Michigan

Our experienced orthopedic and sports medicine physicians represent a wide variety of orthopedic subspecialties. This includes physicians who are fellowship-trained in areas such as orthopedic trauma; spine disorders; foot, ankle and lower extremity trauma; hand, wrist and elbow; adult reconstructive surgery of the hip, knee, shoulder and elbow; and sports medicine. We offer a full range of care, from conservative to alternative treatments to more cutting edge surgery, such as anterior hip joint replacement and robotic-assisted surgery. We also have unrivaled expertise in sports medicine. In fact, we are the preferred sports medicine partner for many local high schools, colleges and professional sports teams.
