

Acute Orthopedic Follow-up

What is my main problem?

I have an orthopedic injury that needs follow up care. A referral has been sent to the Bronson Orthopedic Service to make sure that I receive the right follow up care. I can decide to go to my own orthopedic doctor if I prefer.

What I need to do

Follow my discharge instructions for when to be seen by an orthopedic provider.

- Bronson Orthopedics will call me in the next 1-2 business days to schedule a follow-up appointment.
- Or I may make an appointment with my own orthopedic doctor.

Going to the Bronson Orthopedic Service Office

- I need to go to the Bronson Orthopedic Service office as directed. If I need to call, their number is 855-618-2676.
- Bring all insurance information with me.
- Bring a list of all the medicines I take.

Why it is important for me to do this.

I need to have my injury further evaluated. Specialized staff will care for me.
