**CONSENT NICVIEW™ STREAMING CAMERA (NICVIEW)**

I give my permission to use NicView™.

The purpose of NicView™ is to let me view my infant when he/she is in the NICU.

The camera is turned off during procedures, medical exams, care times and when the baby is not in his/her bed.

I understand the following about using the NicView™ camera:

- Internet access and a device with internet access are needed to use NicView™ .
- One user name and password is provided. No one else will have access to images unless I give them the user name and password.
- NicView™ is a streaming device. It does not save or store any images, video, or parent information.
- Bronson Methodist Hospital and Natus Medical Incorporated, the NicView™ system owners are able to see how often it is used. Log in and access times are collected.
- I agree not to record streaming images. \_\_\_\_ (initials)
- I agree not to touch or move the camera \_\_\_\_ (initials)
- I agree to not take pictures from the streaming images. \_\_\_\_ (initials)
- Bronson may take away use of the camera if there is evidence of recording or making pictures by me or others and if there is evidence of the camera being touched or moved. \_\_\_\_ (initials)
- I may not be able to view my infant if there is a problem with the camera or software.
- Bronson and Natus Medical Incorporated are not responsible for technical problems. Technical support contact information will be provided.
- When my infant is moved to a bed that does not have a camera I will no longer be able to view my infant with NicView™ .
- Bronson and its staff are not responsible for images seen on NicView™ that may share information about me or Bronson.

This consent ends when my infant leaves the NICU. I may change my mind and withdraw consent at any time.
